

Majestic Embrace

Majestic Embrace Luxury Pocket 10,000

Mattress Comfort

Luxurious natural Viscose damask cover with the softest surface feel.

11" mattress* is tufted by hand using pure woollen tufts for added luxury.

The finest mattress upholstery includes opulent surface comfort layers of 100% pure British wool, mohair, soft rebound wool and a rich mix of cashmere, silk and cotton for unsurpassed comfort.

The 500g 100% British wool comfort layer is cool in summer, warm in winter and naturally disperses heat and moisture for the most comfortable night's sleep. All Sanctum models meet the British Wool Platinum standards.

The luxury engineered spring system features 10,000 individually encased pocket springs in a 5-tier construction – a 2000 centre core with an additional 2 x 2000 mini-pocket tablet support unit on each side to further enhance surface comfort. The springs adjust to your body contours and provide anatomically correct support with no 'roll together'. The mattress spring unit has strengthened edge support to ensure total comfort and support across the entire sleep area.

The mattress border is side-stitched by hand (3 rows) to further enhancing edge support.

Sleep both sides - please turn your mattress regularly for optimum comfort.

**due to the handcrafted nature of Sanctum mattresses, sizes can vary*

Base options

Extend the life of the mattress with a Luxurious Sanctum base, available in a wide choice of stylish covers and either a firm platform top or Bonnell centre sprung with firm edge specification.

Tailored Sanctum bases are fully padded and upholstered and have the option of enhanced storage drawers (see chart) with high quality soft-touch metal drawer runners.

Hidden base linking and shepherd style castors add that final touch of luxury.
